The ND Smart light comes with four lighting modes for different needs, Reading Mode, Flow Mode, Custom Mode and SOS Mode. Further, you can set Colors and brightness of light via ND Light APP

APPLE STORE

Google Play

## Flicker-free, more comfortable

Flicker is harmful to your eyesight, so we use color-mixing technology to reduce it, at any color & any light intensity.

## Long Playtime

Bright white: 18-20 hours, Dim white: 200 hours, Colorful Mode: 18-20 hours

## Link with your ND Bite Alarms and Receiver

ND light will awaken when it receives the bite signal from the Alarms, The New ND receiver(R9-pro) also can turn on(off) the ND lights.

## Super-High Capacity

5200mAh Lithium battery recharges in just 3 hours with 2A adapter (not included) and included Micro USB cable. It can charge iPhone 6/6s nearly twice.

Maximum output/input: 5V/2A.

## Ip65-Waterproof

An IP65 rating guarantees your light will work fine in the rain.

The body, battery compartment are individually sealed and those displaying the water tested sticker have been stringently tested before leaving the factory.

## MORE FREE ACCESSORIES

## Notes

- Store your ND Smart light in a warm, dry place when not in use, in order to prevent condensation build up.
- It is recommended that the ND Smart Light be cleaned with a damp cloth after use.
- After use ensure all batteries are fully charged before you pack the ND Smart Light away for the next trip.
- If the ND Smart Light is not going to be used for some months then recharge the batteries every 2-3 months.
- The range of the ND Smart light is dependant on weather and environmental conditions.

### Environmentally friendly disposal

Old electrical appliances must not be disposed of together with the residual waste, but have to be disposed of separately.

The disposal at the communal collecting point via private persons is for free. The owner of old appliances is responsible to bring the appliances to these collecting points or to similar collection points. With this little personal effort, you contribute to recycle valuable raw materials and the treatment of toxic substances.

# 7 | Support

## [Newdirectiontackle.co.uk/support/](https://Newdirectiontackle.co.uk/support/)

We are committed to providing you with the best possible products and services, but in the unfortunate circumstance that you have a complaint or our app has a bug which needs to be fixed, please get in touch with us straight away using our support center system.

In order to streamline support requests and better serve you, we utilize a support ticket system. Every support request is assigned a unique ticket number which you can use to track the progress and responses online. For your reference we provide complete archives and history of all your support requests. A valid email address is required to submit a ticket.

### Tell us what you think...

To maintain quality and product development ND has listened to the voices of its customers and identified their specific requirements and preferences. The company has designed and produced a range of exciting products for with our vision of becoming the most popular brand available.
